## **DETAILED ACTION**

## Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 9/7/04 has been entered.

## Allowable Subject Matter

2. The following is a statement of reasons for the indication of allowance subject matter: the prior art of record does not teach or suggest the combination of a first conductive pattern having a convex via having a step and being formed on the ceramic substrate by a transfer printing technology through an intaglio printed using a flexible resin substance. An insulation layer formed n the first conductive pattern and a second conductive pattern electrically connected to the first conductive pattern by the via. The via embedded into the second conductive pattern in claim 13.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
